

12 SPIRITUAL PRACTICES

TO GROW IN JESUS CHRIST

We believe our mission — *to know Christ and make Him known* — will flourish as we lean deeply into discipleship. In 2026, we will launch a church-wide Discipleship Plan centered on **12 Spiritual Practices to grow in Jesus Christ**.

Key Values of the Discipleship Plan:

- 1 Christ-centered
- 2 Applicational
- 3 Unifying
- 4 Clear & easily implemented across ministry areas.

Each month we will focus on one Spiritual Practice which will be divided into 4 weeks of content, consisting of:

- **A Key Verse** | One per month for study and memorization
- **A Weekly "Focus"** | Content that supports the central Spiritual Practice for the month
- **Application Concepts** | Targeted for a wide variety of ministry areas
- **Discipleship Gatherings** | Large group gathering once a month to share testimonies, worship and a reminder to keep Christ at the center.
